

Store up to 4 drums on these Poly Spill Containment Pallets that help you meet containment regulations.

- Made of 100% polyethylene with UV-inhibitors — stands up to most chemicals
- Non-slip surface on 2^{3/4}"-thick, sturdy, poly grates — provides secure footing
- Optional drain plug in leg — 66-gallon sump can be drained when necessary

- **Standard-duty 2-drum Pallet (PAK605)** holds up to 1,500 lbs. UDL; grime-hiding black sidewalls
- **Heavy-duty 4-drum Pallet (PAK342, with drain; PAK341 without drain)** holds up to 6,000 lbs. UDL; translucent sidewalls for easy inspection

- **Standard-duty 4-drum Pallet (PAK606)** holds up to 3,000 lbs. UDL
- ◆ **Helps you comply** with 40 CFR 264.175 for storage of haz-waste
- ◆ **Helps you comply** with SPCC planning requirements where absorbents, barrier and containment devices can be used to control or prevent oil discharges

PIG® Poly Spill Containment Pallet

Specify for PAK606 & PAK605: Without drain or with drain
Add \$15 to price shown for drain

	1-2	3-6	7+
PAK606 • 4-drum; Standard; Deck surface: 48" square Sump capacity 66 gal. 53" L x 53" W x 12" H • 85 lbs.	\$249	\$239	\$229
PAK341 • 4-drum, heavy-duty; without drain plug; Deck surface: 48" sq. • Sump capacity 66 gal. 53" L x 53" W x 12" H • 89 lbs.	\$289	\$279	\$269
PAK342 • 4-drum heavy-duty; with drain plug; Deck surface: 48" sq. • Sump capacity 66 gal. 53" L x 53" W x 12" H • 89 lbs.	\$304	\$294	\$284
PAK605 • 2-drum; Standard; Deck surface: 48.25" L x 24" W Sump capacity 66 gal. • 53" L x 28.75" W x 16.3125" H • 62 lbs.	\$179	\$174	\$169

Note: Not for use with liquids with a f.p.<140°F ("Flammables"). For chemical compatibility call Technical Services at 1-800-HOT-HOGS® (468-4647) or visit newpig.com.

The most affordable way to catch leaks and drips from 55-gallon drums and smaller containers.

Our PIG® Drum Spill Tray (DRM369) catches those small drips that can make your floor a big mess. Tray holds 5 gallons with a 55-gallon drum in place. The **Drum Spill Tray with Grate (DRM371)** is ideal for holding up to four 5-gallon buckets or leaky batteries. Poly grates raise containers above collected liquids; they lift out for access to sump. Pour hole allows you to recapture collected liquids.

- Strong, light-weight polyethylene won't rust or corrode
- Available with or without poly grate

- ◆ **Helps you comply** — Tray with Grate may help you comply with 40 CFR 264.175 for hazwaste containment

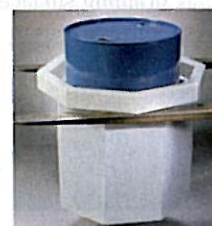

PIG® Drum Spill Tray

	1-5	6-10	11+
DRM369 • Without grate Sump capacity 19 gal. • 32.25" L x 32.25" W x 8.25" H • 16 lbs.	\$69	\$65	\$61
DRM371 • With grate • Sump capacity 6 gal. • 32.25" L x 32.25" W x 8.25" H • 24 lbs.	\$93	\$89	\$83

NOTE: Call Technical Services at 1-800-HOT-HOGS® (468-4647) or visit our website at newpig.com for chemical compatibility.

Economical containment for 55-gallon drums.

- 70-gallon sump safely holds a 55-gallon drum — even if ruptured or leaking
- Empties through convenient pour hole
- Easy to move with forklift or dolly
- Low-density polyethylene won't rust, degrade or corrode
- Translucent sidewalls allow for easy visual inspection
- ◆ **Helps you comply** — Container with drain plug helps you comply with 40 CFR 264.175 for storage of hazwaste

Lift under collar with forklift — holds up to 1,200 lbs.

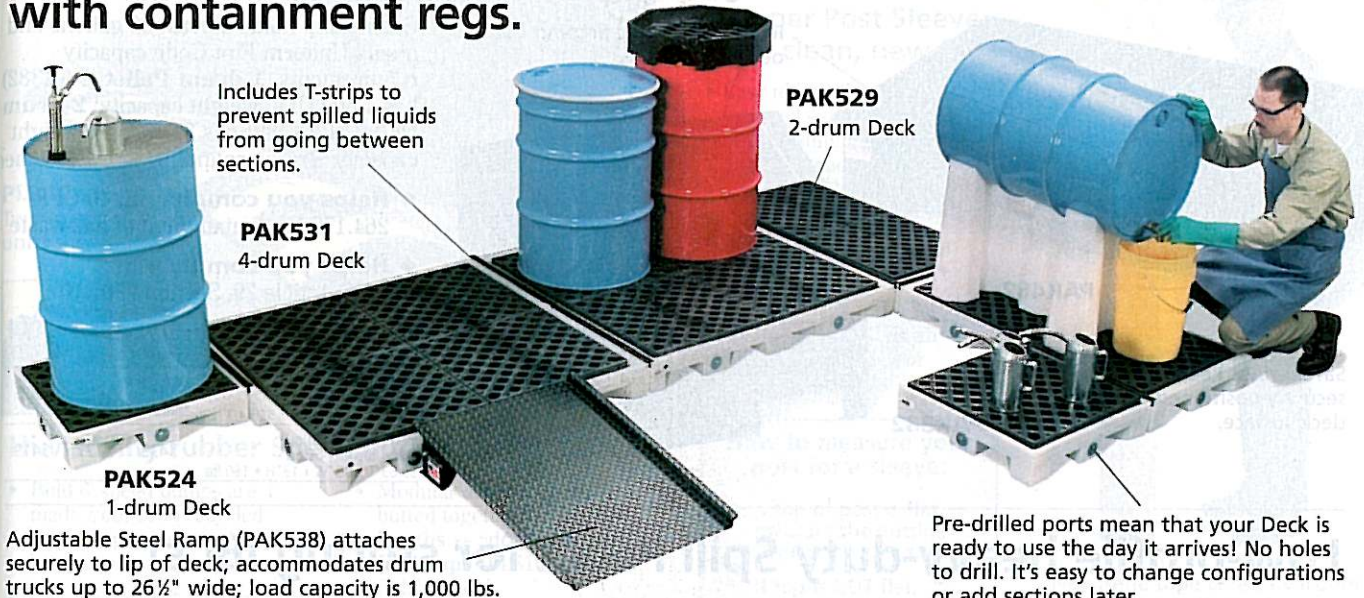

PIG® Single Drum Container

	1	2+
DRM373 • Without drain plug Sump capacity 70 gal. 31.75" Dia. x 27.33" H • 28 lbs.	\$129	\$124
DRM878 • With drain plug Sump capacity 70 gal. 27.33" H x 31.75" D • 28 lbs.	\$144	\$139

Note: Not for use with liquids with a f.p.<140°F ("Flammables"). For chemical compatibility call Technical Services at 1-800-HOT-HOGS® (468-4647) or visit newpig.com.

Our low-profile, easy-loading Spill Decks help you comply with containment regs.

Adjustable Steel Ramp (PAK538) attaches securely to lip of deck; accommodates drum trucks up to 26 1/2" wide; load capacity is 1,000 lbs.

Pre-drilled ports mean that your Deck is ready to use the day it arrives! No holes to drill. It's easy to change configurations or add sections later.

Create a custom drum storage area that complies with containment regs and is a less-expensive alternative to building concrete containment walls. Just mix and match our Modular Spill Deck sections to meet sump capacity requirements (a minimum of 66 gallons) and create a clean and safe work environment.

Our 5 3/4" Modular Decks feature our patented bulkhead fittings to connect Deck sections. Each Deck comes complete with everything you need to use alone or connect to other decks. For easy loading, add a Poly (PAK726, sold below) or a Steel (PAK538) Loading Ramp, sold separately.

- Made of 100% polyethylene; treated with UV inhibitors
- Strong, durable Decks are built to last with 2 3/4"-thick grates set on molded-in supports
- Ideal for drum storage —
1-drum deck holds 1,500 lbs. UDL;
2-drum deck holds 3,000 lbs. UDL;
4-drum deck holds 6,000 lbs. UDL
- ◆ **Helps you comply** with SPCC planning requirements where absorbents, barrier and containment devices can be used to control or prevent oil discharges
- ◆ **Helps you comply** with 40 CFR 264.175 for containment of haz-waste

PAK527

PAK566

These Poly Drip Decks help you eliminate dangerous puddles on your floors, which can help keep your facility clean and safe.

- Low-profile 5 3/4" decks — easy to load and give easy access to drum tops

- Polyethylene construction — compatible with a wide variety of chemicals, won't rust or corrode
- Choose from 3 sizes:
1-drum Deck holds up to 11 gallons;
2-drum Deck holds up to 22 gallons;
4-drum Deck holds up to 44 gallons

PAK726

Add a Poly Ramp for easy loading.

Exhibit DFLD-JK-6
Sample drum containment systems

Store flammables safely on these durable Steel Pallets.

Safety rings keep drums securely positioned on deck surface.

Reversible grates accommodate odd-sized drums.

Each sump holds at least 66 gallons and meets Uniform Fire Code capacity requirements. **1-drum Pallet (PAK382)** has 1,500 UDL weight capacity; **2-drum Pallet (PAK482)** has 2,500 UDL weight capacity. Brass grounding screw attached.

◆ **Helps you comply** with 40 CFR 264.175 for containment of haz-waste

◆ **Helps you comply** with UFC Article 79, Section 7901.10

PIG® Steel Spill Containment Pallet 

	1	2-5	6+
PAK382 • 1-drum Sump capacity 67 gal. 32.5" L x 32.5" W x 17.5" H • 172 lbs.	\$315	\$305	\$295
PAK482 • 2-drum Sump capacity 66 gal. 53.63" L x 35" W x 13" H • 180 lbs.	\$439	\$429	\$419

Low-profile heavy-duty Spill Pallet for storing IBCs!

- 9,000 lb. UDL weight capacity — strong enough to support any IBC
- Low 8 3/4" profile — easy to load, unload or dispense from an IBC
- Large 75-gallon sump capacity with only a 62 1/2" x 62 1/2" footprint — catches IBC leaks and drips, even in compact spaces
- 4-way forklift entry makes Pallet easy to move — even when fully loaded
- Large decking surface for easy, accurate IBC placement
- Removable non-slip grate — adds traction on grate surface; lifts out for easy access to sump

- Choose from easy-inspection translucent white or grime-hiding black polyethylene
- Optional drain plug — allows you to drain sump easily

PIG® Poly Spill Containment Pallet 

Specify color: Black or white • Specify: With drain or without drain • **Add \$15** to price shown for Pallet with Drain

	1-2	3-6	7+
PAK672 • 4-drum; heavy-duty Sump capacity 75 gal. 62.5" L x 62.5" W x 8.75" H • 125 lbs.	\$389	\$379	\$373

Note: Not for use with liquids with a f.p. < 140°F ("Flammables"). For chemical compatibility call Technical Services at 1-800-HOT-HOGS® (468-4647) or visit newpig.com.

Low-profile PIG® Spill Pad catches leaks and drips from batteries and other small containers.

Low 3 3/4" profile makes it easy to load and unload items. Removable grate exposes smooth pad surface that's easy to clean.

- Chemical-resistant, all-poly construction
- Light-weight; easy to move at only 34 lbs.
- ◆ **Helps you comply** with 40 CFR 264.175 for containment of haz-waste (depending on the size of container stored)

PIG® Spill Pad
