Re: Proposed Deerfield Wind Power Expansion – Searsburg/Readsboro VT

Dear Ms. Staskus,

I have reviewed the material you provided regarding the project referenced above. The Vermont State Police is the primary law enforcement agency for this location. As proposed, this project will not place an unreasonable burden upon the services of the Vermont State Police to provide police services either to the project itself or to the surrounding communities for which the Shaftsbury Barracks covers.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,
