³ The essential terms of a standard Option and Lease Agreement grant the company the right to install wind turbines, power lines, roads, and other facilities on the property and the right to operate such facilities for a period of years. In exchange, the landowner is paid an annual fee based on a number of factors.

⁴ Factors or contingencies that could affect the actual monetary consideration include, but are not limited to, final project configuration, the wind resource, the generation and capacity of the wind turbines installed on the property, footage of roads and/or transmission lines, economic factors such as inflation, environmental conditions and force majeure.

Stone Church, Hammond NY	Susan Dunham	Hammond, NY Sibling, James Langtry, Councilman (1994-Present)	Wind Option and Wind Energy Lease Agreement ¹ dated 12/18/2008	<p>St. Lawrence County, Town of Hammond Tax Map Section No. 141.001 Parcel No. 1-19</p> <p>St. Lawrence County, Town of Hammond Tax Map Section No. 141.004 Parcel No. 1-19</p> <p>St. Lawrence County, Town of Hammond Tax Map Section No. 141.003 Parcel Nos. 1-2, 1-6.1, 1-10 and 1-13.1</p>	<p>ii. \$5,000 to under \$20,000</p> <p>The actual monetary consideration under the Agreement is not fixed. The Company's good faith estimate is between \$5,000 and \$20,000 annually.²</p>
